

National Leadership and Skills Conference Participation

All official Missouri SkillsUSA participants at the National Leadership and Skills Conference will register with the State SkillsUSA Director. All official Missouri SkillsUSA participants at the National Leadership and Skills Conference will register at the Missouri Hotel through Missouri SkillsUSA's official travel agent, regardless of where the participants reside.

Part of the National Leadership and Skills Conference registration fees will be paid by the State Association for National contestants, newly elected State Officers, immediate past State Officers or elected official voting delegates. The percent of payment will be determined by the Executive Council in the annual budget. If the a fee is paid for by the State Association and the student representing the State Association does not participate; the local institution will reimburse the State Association the costs for that participate. The local chapter or the individual will pay the housing and meal costs as determined by the local chapter. The local educational agency or the individual will pay the registration, housing, and meal expenses for adult advisors.
